Parent Responsibilities

Please read the following statements. As the parent I understand:

- 1) This is an online class with a live instructor.
- 2) Good internet connection and a headset with a microphone are required.
- 3) HSML will supply a numerical grade, based upon quizzes and tests, to the parent for use on a transcript that is created and managed by the parent.
- 4) Each week, the parent will receive the quiz or test in their email and print it for the student. The parent will proctor the quiz or test and then return it to the teacher as a single PDF file.
- 5) It is the parent's responsibility to make sure the quiz/test is appropriately proctored and returned to the instructor by the designated time each week unless other arrangements have been made with the instructor.
- 6) Depending on the student, it may be necessary for the parent to:

- A) ensure that the student attends class.
- B) ensure that the student is engaged in class, working problems as requested and asking/answering questions during class.
- C) help the student learn to take notes during a live class environment.

7) Because High School Math Live does not give grades for homework, it may be necessary for the parent to check to see that homework is being completed, checked and corrected.

8) It is the parent's responsibility to view the student's personal OneNote file weekly to see updates on grades and read teacher feedback on assessments.

9) The annual tuition is:

\$600 for Pre-Pre Algebra, Pre-Algebra

1st payment - \$130 due at registration payable via the website. This is non-refundable.

2nd payment - \$235 payable to the teacher is due August 1. This is non-refundable.

3rd payment - \$235 payable to the teacher is due December 1. This is non-refundable.

\$650 for Algebra I, Algebra I Honors, Geometry, Geometry Honors, Algebra II, Algebra II Honors, Math 9 Honors

1st payment - \$130 due at registration payable via the website. This is non-refundable.

2nd payment - \$260 payable to the teacher is due August 1. This is non-refundable.

3rd payment - \$260 payable to the teacher is due December 1. This is non-refundable.

\$700 for Pre-Calculus, Pre-Calculus Honors, Calculus I

1st payment - \$130 due at registration payable via the website. This is non-refundable.

2nd payment - \$285 payable to the teacher is due August 1. This is non-refundable.

3rd payment - \$285 payable to the teacher is due December 1. This is non-refundable

\$780 for AP[®] Calculus AB, AP[®] Calculus BC

1st payment - \$130 due at registration payable via the website. This is non-refundable.

2nd payment - \$325 payable to the teacher is due August 1. This is non-refundable.

3rd payment - \$325 payable to the teacher is due December 1. This is non-refundable
