RE: Approval of Application for Agency Authorization

Dear Brenda Barnett:

This correspondence is to notify you that, pursuant to California Penal Code (PC) section 11105, your application to receive criminal offender record information (CORI) has been approved. Please review the CORI confidentiality and dissemination laws that are covered in the original application packet. You are responsible for the care and security of this information.

Please use your agency's Originating Agency Identifier (ORI) number and mail code when submitting fingerprints.

- ORI Number: AR254
- Mail Code: 25866
- Billing: 159564

Your agency is mandated to receive California state level CORI for the following applicant type/s:

- Employee 11105.3 PC 92080

Pursuant to PC 11079 and California Code of Regulations 702, the Office of the Attorney General may conduct onsite inspections to audit agencies that maintain or receive CORI. The misuse of CORI may result in your agency losing access to CORI from the California Department of Justice.

In the interim, if you have any further questions, please address your correspondence to the Authorizations and Certifications Section at the address or email address provided above.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Gavino Valdez', written in a cursive style.
